OAH Case No. 2015060374

CALIFORNIA EDUCATION AUTHORITY,

v.

PARENT ON BEHALF OF JACOB HALL,
STUDENT.

OAH Case No. 2015080190

ORDER DENYING REQUEST FOR
CONTINUANCE

On August 21, 2015, Student filed a request to continue the dates in the matter filed by California Education Authority, Case Number 2015080190, because the attorney for Student was only recently retained in this matter, and because the attorney has not yet received all of Student's records. California Education Authority has not filed a response, and need not do so since the request to continue the case is being denied as moot.

By separate order, OAH has granted California Education Authority's motion to consolidate Student's case with its case. In doing so, OAH vacated the dates currently set in the case set by California Education Authority. Therefore Student's motion to continue those dates is denied as moot.

IT IS SO ORDERED.
